

4 Steps To Take After A Storm

After a storm hits, it's time to take action. It's important to move quickly not only to get the ball rolling on repairs, but to make sure you have the best possible outcome with your insurance agency.

☒ Schedule a free storm damage assessment with EZ Home Solutions

- Inspection date and time: _____

☒ Call your insurance provider and file a claim

- Storm date: _____
- Claim number: _____

☒ Schedule an inspection with your insurance company

- Inspection date and time: _____
- Adjuster name: _____
- Adjuster contact info: _____

☒ Call EZ Home Solutions with the time and date of the inspection

- This allows us to advocate on your behalf at the adjustment and ensure that you receive proper and fair treatment by the insurance company.

We'll take it from here!

Check your inbox regularly; you'll receive updates and reminders from EZ Home Solutions every step of the way until your claim is processed and the damage repaired.
